#### The Harmony Of Home

Does Not Mingle With or Emanate From the Table of Dyspepsia.

In the home, meal time should awaken in all the inhabitants a pecular harmony of Joy which will make for the home the abiding place of interest and happiness.

If one member at the dinner table is out of sorts, his influence is felt and the harmony is lacking. Conversation and mirth are absent Deverting thoughts assail the discrete.

All physicians agree that mirth and joy at the meal time does much to-ward digestion. Mirth tingles the whole nervous organism of man, the cells wherein are stored valuable digestive juices, empty their contents under the nerve stimulation and promote the highest degree of digestion. Stuart's Dyspepsia Tablets are little storehouses of digestions which mix with the stomach julces, digest food, relingle the mucous membrane and its nerve centers, give to the blood a great wealth of digestive fluids, promote digestion and stays by the stomach butil all its duties are complete.

If dypepsia sits at tables it makes the dinner room a place of awe; these tablets should be taken after meals and dypepsia of a consequence flees.

No need for diet or fasting. The dyspeptices who will use them religious ly will find no sense of nausea in the sight of generous meals or in the odor of rich cooking.

It matters not what the condition of the stomach Stuart's Dyspepsia Tablets only improve the juices and bring quiet to the whole digestive canal, of which the stomach is the center.

to those interested the facts.

The Fitzgerald amendments are defended as being very effective in the curtailment of power of the speaker. For six months Mr. Fitzgerald, acknowledged the best parliamentarian on the Democratic sire, had been preparing the amendments, it is said, but no opportunity was offered to bring them before the Democratic caucus for consideration. "He was unable to do so because of the high-handed manner adopted by a few Ill-advised friends of Mr. Clark."

Referring to the fight in the house, the three members say that when Mr. Clark offered his resolution he refused any Democrat a chance to speak.

"And then he did the very thing we members have been deprecating and fighting against for years—he moved the previous question," they state.

"It is bad enough to be gagged by our opponents, but when the muzzle was clapped upon us by our friends we protested, and successfully."

The Clark resolution is attacked because of the six Democratic members proposed by Mr. Clark for the committee of 15 not one came from Colorado, Illinois, Indiana, Massachusetts, Ohio or Pennsylvania, with nearly
